Buddies in Bad Times Theatre presents

# ZONA PELLUCIDA & THE NEEDLE EXCHANGE

An evening in two parts

JAN 9 – 24, 2009

BOX OFFICE 416-975-8555 [artsexy.ca](http://artsexy.ca)

## ZONA PELLUCIDA

8PM, THE CHAMBER

created by **2boys.tv**

**Stephen Lawson** and **Aaron Pollard**

*Zona Pellucida* is the delightfully demented brainchild of Montreal's 2boys.tv, who wowed audiences of *Arthouse Cabaret* with their outrageous drag and video performances. *Zona* combines the disparate elements of Vincenzo Bellini, Tennessee Williams, Bette Davis, Barbara Stanwyck and a wild take on blue screen puppet theatre to create a show that incorporates their unique blend of music hall, high drag and stunning video design.

*"the most technologically sophisticated, superbly staged, and intricately timed multi-media experience I have had in quite some time"*

- San Francisco Bay Times

## THE NEEDLE EXCHANGE

9PM, THE CABARET

Curated and hosted by Dora Mavor Moore Award nominee **Keith Cole**

Different line-up every night

**The Needle Exchange** is a controversial social policy, based on the philosophy of harm reduction but it is *also* a 30 minute variety show curated and hosted by Dora Award nominee **Keith Cole**, whose practice is based on the ancient philosophy of the flamboyant and irreverent. **The Needle Exchange** features a teasingly healthy dose of music, comedy, magic, politics, art and titillating pointed conversation. **The Needle Exchange** is where Speed rules and Time is the ultimate enemy. **Keith Cole** is back with something new and different every single night featuring a line up of stellar Canadian glitterati presented in a sterile, clinical & clean environment for your comfort – but you will be allowed to misbehave (because we know you want to...). **The Needle Exchange** – the start of something new for 2009!

Please note: \*\* Alcohol swabs, bleach, sterile water and aluminum "cookers" not provided.
