Ryan G. Hinds
Hosted by **Keith Cole** with special guests

**Thursday November 26, 2009

Gracefully entering its fourth decade, Buddies decided it's time to get a little work done on its annual auction – not drastic surgery mind you, just a touch up.

Buddies has put itself in the skilled hands of three curators, **Sholem Krishtalka, Stephanie Rogerson** and **Ryan G. Hinds**, who will infuse the auction with new life. They will scour the city for hot, smart, contemporary art that reflects Buddies' mandate to challenge assumptions and push boundaries. The show will include both new and established artists who are making exciting contributions to Toronto's art scene.

As a result, the auction will be more spectacular than ever but it will still be very recognizable. You'll find the sexy standards you've come to expect: coveted items, edgy excursions, and exclusive access to cultural events – all wrapped in a spontaneous theatrical package that's distinctly Buddies.

Join us for the unveiling.
