Art Fag – alicious! For 2008

**Hello Buddies friends, allies
and Volunteers. Welcome
to 2008 and ART FAG.**

Art Fag Jan 4th -13th
*A celebration of the self-
proclaimed Art Fag in all of
us. Not for the faint of the
heart.*

A man is beaten with a
bouquet of flowers; a street
walker bemoans his
existence as the trans
embodiment of Marilyn; a
man and woman copulate
with mechanical regularity.
These are just some of the

images that form D.A.
Hoskins' interdisciplinary
exploration of relationships,
self-image and created
personae. Art Fag takes the
audience on a guided
gallery tour of how we
perceive ourselves and
how we are perceived by
others. A celebration of the
self-proclaimed Art Fag in
all of us. Not for the faint of
the heart.

2008 – Volunteer to do's

Hello One and all.
Welcome to the 2nd
installment of the Buddies in
Bad Times quarterly helping
of the Volunteer Newsletter.

Over the last few months
I've had a lot of questions
from you pertaining to how
one goes about signing up
for shifts in the FOH. I've
decided that this issue I
would clear it all up in a
series of steps that I would
recommend you take.

1st step is keep track of
what shows are coming up
by looking online at
www.artsexy.ca or by

watching your inbox for
emails from
chrystal@artsexy.ca or
jamieson@artsexy.ca .

2nd step, look at the dates
and times of the shows and
then look at your schedule
and see what works best
for you.

3rd step, email me a few
date requests for
volunteering. Remember
that having a few dates in
mind will increase your
chances of getting the
date you want.

4th step is wait for my reply. I
promise it will be ASAP.

PLEASE NOTE: Shifts
generally run from 7PM to,
no later than 11PM (in most
cases it's 10:30 and
Sundays it's 1-4:30). Also
keep in mind that we will
need your help cleaning
up the theatre after the
show.

So that's it. Easy Peasy. If
you have any further
questions feel free to email
me anytime.

Chrystal

Burlesque mavens Sasha Van Bon Bon and Kitty Neptune use their inimitable style to skewer that most contrary of movements from the early 20th Century. Warning: Nudity & Sexuality
